That is correct. It is intended to cover the 2020 calendar year.

Trevor:

We received your Statement of Financial Interests today. Item 5 shows it covers the 2021 calendar year. Like a tax return, it is required to cover 2020, the prior calendar year. Can you confirm by return email that your statement was intended to cover calendar year 2020? If so, we will consider your response to be an amendment. Thanks.
