Item 6

The University of Nebraska Foundation provides significant financial support to the University, including an amount the Board of Regents has elected to use to support certain, senior administrators, including myself. For Federal Income Tax purposes, the IRS requires such support to be reportable as income from the University to myself. Since this form instructs filer to use the federal income tax definition of income it is not necessary to list the Foundation as a separate source of income. I have included this information in the past and in an effort to have full disclosure I have reported it here as I have in the past.
