Subject: error / omission letter dated 2/17/22

Dear Mr. Daley,

I have received your letter concerning an omission on item 5 of the Statement of Financial Interest and do wish to amend so that it covers the 2021 preceding calendar year.

Also, I have received a correspondence meant for Danny Crownover of 525 9th St, Unadilla, NE which was sent to my address. I will mail back his forms however I wanted to reach out to you so that you could re-send your correspondence to him.

Please let me know if there is any further action required.

Thank you,

William White
