**Item 6. Sources of Income of Over \$1,000**

The University of Nebraska Foundation provides significant financial support to the University. For federal income tax purposes, the IRS requires resulting reportable income to the undersigned, if any, to be reported as taxable income from the University to the undersigned. This NADC form instructs filers to use the federal income tax definition of income, and for this reason the Foundation is not listed as a separate source of income. This statement supplements the information required on this form in the interest of full disclosure.
