Re: C-2 Potential Conflict of Interest Statement

Dear Ms. Reisher,

This will acknowledge receipt of a C-2, Potential Conflict of Interest Statement ("Statement"), which you filed with the Nebraska Accountability and Disclosure Commission ("NADC") on Tuesday, February 20, 2024.

You are the Executive Director of the Brain Injury Alliance of Nebraska ("Alliance"). Your Statement also notes that you are Secretary for the Brain Injury Oversight Committee ("Oversight Committee").

On or about April 19, 2024, the Oversight Committee will meet and vote on the question of whether the application from the Alliance for funds, from the Brain Injury Assistance Act Fund, will be approved. In your position as Secretary of the Oversight Committee, you would be required to vote on the application from the Alliance.

Under the terms of §49-1499.03(2), you must file a Statement where you would be required, "to take any action or make any decision" in the discharge of your official duties that, "may cause financial benefit or detriment to [you], a member of your immediate family, or a business with which [you are] associated."

The term "business" is defined in §49-1407 to include, "...any corporation,, partnership, limited liability company, sole proprietorship, firm, enterprise, franchise, association, organization, self-employed individual, holding company, joint stock company, receivership, trust activity, or entity." We believe that the Alliance falls within this broad definition.

The term "business with which the individual is associated," is defined in §49-1408 to include a business, "...in which the individual is a partner, limited liability company member, director, or officer." As the Executive Director of the Alliance, we conclude that it is a business with which you are associated.

Based upon the foregoing, we agree with your conclusion, as you have expressed it in your Statement. that you should abstain from voting on a grant from the Oversight

Committee to the Alliance. Although you would receive no personal financial gain from such a grant, the Alliance is a business with which you are associated, and you would have a conflict of interest in voting on the Alliance's application—which vote may result in financial benefit or detriment to the Alliance.

Our opinion in this matter is premised upon the material facts which we have outlined above. If any of these facts are inaccurate or incomplete, please contact us immediately.

Thank you for your timely filing of the subject Statement.

Very truly yours,
