Re: C-2 Potential Conflict of Interest Statement received on July 15, 2024

Dear Councilmember Begley,

This will acknowledge receipt of a Potential Conflict of Interest Statement (hereinafter "Statement") which was received in our office on July 15, 2024.

The facts in this matter are, as we understand them, that you are a member of the Omaha City Council. You have identified your employer as the Omaha Public Power District ("OPPD").

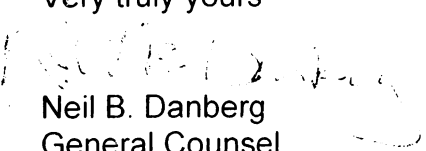

Decisions will be made by the Omaha City Council on July 16, 2024, with respect to the following matters as you have described them in your Statement:

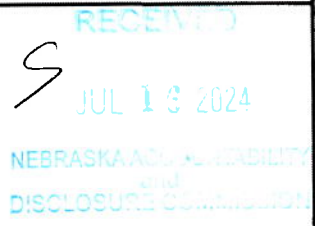

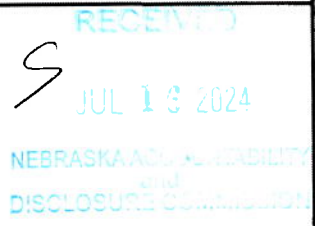

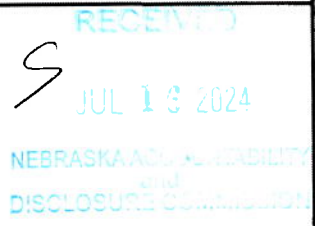

"The City Council of the City of Omaha will vote on two resolutions approving purchase orders and facilities with the Omaha Public Power District (OPPD) for (1) conversion of street lights as part of OPW 54765—S 24th Street Business Improvement District Lighting Improvements, and (2) street lighting for North Saddle Creek as part of OPW 54540 – North Saddle Creek Business Improvement District Streetscape project."

You have stated with respect to this matter that, because of your position with OPPD, you intended to recuse yourself from participation and voting with respect to this matter. We understand and acknowledge your decision.

The Commission thanks you for filing your Statement in accordance with §49-1499.03(1) of the Nebraska Political Accountability and Disclosure Commission.

Very truly yours

Neil B. Danberg
General Counsel
