Re: C-2A Potential Conflict of Interest Statement

Dear Mr. Robbins,

This will acknowledge receipt of a C-2A, Potential Conflict of Interest Statement ("Statement"), which you filed with the Nebraska Accountability and Disclosure Commission ("NADC") on Tuesday, February 18, 2025. This will also acknowledge our phone call of Tuesday, February 18, 2025.

You are the Superintendent of the Minatare Public School District ("District"). Your spouse is a teacher in the District.

As Superintendent, one of your duties is to prepare employment contracts for teachers in the District, including your spouse. In our telephone conference, we discussed the fact that you do not have discretion in setting compensation for District teachers in their contracts. Compensation is set for each teacher according to the terms of the contract between the District Board and the Teachers' Union. You do not have the authority to vary the compensation terms of that contract. The salary for each teacher in the District is set by the terms of the said contract.

Because you are not required to take action with respect to the contractual compensation of your spouse, you do not have a financial benefit or detriment with respect to preparation of her contract. Consequently, you do not have a conflict of interest in the preparation of your spouse's annual contract in the District, and you may prepare that contract.

Our opinion in this matter is premised upon the material facts which we have outlined above. If any of these facts are inaccurate or incomplete, please contact us immediately.

Please call me at 402-471-0846 if you have any question concerning this Opinion.

Very truly yours,
