Re: C-2 Potential Conflict of Interest Statement

Dear Mr. Wehrman,

This will acknowledge receipt of a C-2, Potential Conflict of Interest Statement ("Statement"), which you filed with the Nebraska Accountability and Disclosure Commission ("NADC") on Monday, March 3, 2025. On March 7th, we had a telephone conference in which we discussed the fact that you currently rent space from Wildcat Blockchain, LLC, and you use electricity in that rental.

You are a Member of the Board of Directors of the South Central Public Power District ("SCPPD"). In your Statement, you do not identify any decision or other action which you are going to be making which may result in a conflict of interest. In our telephone conference, we discussed the fact that you utilize electricity from the SCPPD,

The Statement which you filed relates to §49-1499.03(2) of the Nebraska Political Accountability and Disclosure Act ("NPADA"). That Statute requires you to file a Statement where you would be required to take an action or make a decision which may result in financial benefit or detriment to you, your immediate family, or a business with which you are associated. However, the Statute contains an important exception where the potential conflict is not distinguishable from the effects of such action on the general public or a broad segment of the public.

When you utilize electricity from the SCPPD at the rate which all other rate payers are charged, your usage is not distinguishable from that of other users within the SCPPD. Consequently, we conclude that there is not a conflict of interest with respect to your usage. Thank you for your timely filing of the subject Statement.

Very truly yours,

Neil B. Danberg, General Counsel
