Re: C-2A Potential Conflict of Interest Statement

Dear Mr. Anderson,

This will acknowledge receipt of a C-2A Potential Conflict of Interest Statement ("Statement"), which you filed with the Nebraska Accountability and Disclosure Commission ("NADC") on Friday, May 23, 2025. On that same day, your Statement was supplemented by a telephone call which we had with you.

You are the Director of Historic Sites with the Nebraska State Historical Society ("NSHS"). You are also currently a member of the State Historic Preservation Board, ("Preservation Board"), which consists of ten (10) members. In turn, the Preservation Board is administered by the State Historic Preservation Office, which is part of NSHS. The duty of the Preservation Board is to evaluate nominations to the National Register of Historic Places.

Under the terms of §49-1499.02, you must file a Statement where you would be required, "to take any action or make any decision" in the discharge of your official duties that, "may cause financial benefit or detriment to [you], a member of your immediate family, or a business with which [you are] associated."

The term "business" is defined in §49-1407 to include, "any corporation." The term "business with which the individual is associated," is defined in §49-1408 to include a business, "...in which the individual is a partner, limited liability company member, director, or officer." Since the Preservation Board is under the administration of NSHS, it would not be considered as a separate entity, and it would not fall within the definition of a "business with which you are associated."

In our telephone conversation with you, you affirmed that you do not have any financial interest in any property which is now or could be the subject of nomination to the National Register of Historic Places. Neither you, nor any member of your immediate family, nor any business with which you are associated has any financial interest with

respect to the decisions which you may make as a member of the Preservation Board. Nor as a part of your position as Director of Historic Sites.

Based upon the foregoing, we conclude that you do not have a potential conflict of interest in the actions and decisions which you may make with respect to your position as Director of Historic Sites for NSHS, or in your position as a member of the State Historic Preservation Board. Consequently, you may participate fully in the positions which you hold within the NSHS, and with the Preservation Board, and you need not abstain from actions or decisions as you are required to make them.

Our opinion in this matter is premised upon the material facts which we have outlined above. If any of these facts are inaccurate or incomplete, please contact us immediately.

Thank you for your timely filing of the subject Statement.

Very truly yours,

ITEM 3	DESCRIBE POTENTIAL CONFLICT OF INTEREST IN DETAIL (Use Item 6 Continuation, if necessary)																									
Date action is to be taken or decision is to be made: <u>9/5/2025</u> Description of Potential Conflict: As the Director of Historic Sites for the Nebraska State Historical Society (NSHS), I currently serve on the 10-member State Historic Preservation Board. This board is administered by the NSHS State Historic Preservation Office and its primary duty is to evaluate nominations to the National Register of Historic Places. I was appointed to this board prior to being employed by the State Historical Society in May 2024. Upon becoming an employee of NSHS, leadership at the time determined that I should use personal leave in order to participate on the board in order to avoid any suggestion of a conflict of interest. Current leadership does not believe there is any conflict of interest, financial or otherwise, and requested I seek an advisory opinion.
