Re: Potential Conflict of Interest Statement received on December 17, 2025

Dear Mr. McNeill,

This will acknowledge receipt of a Potential Conflict of Interest Statement ("Statement") in our office on December 17, 2025. Shortly after your filing the Statement, we also had a conversation with you which supplemented the facts in the Statement.

The facts in this matter are, as we understand them, that you are the Commissioner of Nebraska Game & Parks. You are also the head or director of a non-profit organization which may become a subcontractor on a planning contract for Ponca State Park. As such, you would have a business association with that organization.

However, you note that you are not a decision-maker on the contract for Ponca State Park, and you would have no input on what organization is selected to undertake that contract. You also note that you would have no involvement in the supervision or administration of said contract.

The applicable Statute within the Nebraska Political Accountability and Disclosure Act ("NPADA") is Section 49-1499.02. This Section governs the actions of officials within the Executive Branch of Nebraska government. As Commissioner of Nebraska Game & Parks, you would be considered such an official. Specifically, the Section in question provides that an official of the executive branch of government, "who would be required to take any action or make any decision in the discharge of his... official duties that may cause financial benefit...to him... or a business with which he... is associated,...shall take the following actions.." The actions include preparation of the subject written Statement, which you have delivered to our Commission. You should also deliver a copy of this Statement to your immediate superior at the Game & Parks. This Commission will then respond to your Statement and advise you with respect to it.

In your Statement you make it clear that as Commissioner of Nebraska Game & Parks, you would have no decision or action to take with respect to the granting of a contract for

Ponca State Park trails. Nor would you have any involvement in the administration or supervision of said contract.

Based upon the information which you have provided, it appears that you would not have a conflict of interest as Commissioner with respect to the granting or administration of any contract involving Ponca State Park trails. Consequently, we do not believe that you would have a conflict of interest with respect to said contract.

If you have specific other questions with respect to this matter, please call us. If the facts which we have related above are incorrect or incomplete in any particular, please advise us immediately.

The Commission thanks you for bringing this matter to our attention.

Very truly yours
