Re: C-2A Potential Conflict of Interest Statement

Dear Mr. Alexander,

This will acknowledge receipt of a C-2A, Potential Conflict of Interest Statement ("Statement"), which you filed with the Nebraska Accountability and Disclosure Commission ("NADC") on Monday, February 9, 2026.

You are a Member of the Board of Education of the Plainview Public Schools. You are also employed by the Plainview Public Schools as an assistant Wrestling Coach; and this is a paid position.

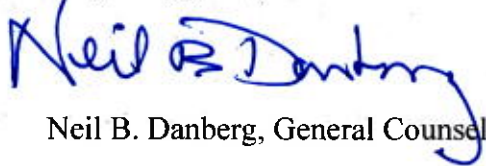

The voters in your area are being offered a ballot question which would improve certain facilities within the Plainview Public School System. Included in the ballot question is a proposal which would authorize the demolition of existing facilities relating to the wrestling program, and replace them with newer and better facilities. Although the wrestling facilities would be significantly enhanced by passage of the school bond, you would not be financially affected by that enhancement. Nonetheless, although you would not receive any financial gain or detriment as a consequence of passage of the school bond, you have filed this Statement to secure a written opinion from the NADC concerning the effect which the school bond passage may have upon you.

Under the terms of §49-1499.03(2) of the Nebraska Political Accountability and Disclosure Act ("NPADA"), you must file a Statement, as you have done, where you would be required, "to take any action or make any decision" in the discharge of your official duties that, "may cause financial benefit or detriment to [you], a member of your immediate family, or a business with which [you are] associated." Although you may not fall directly under the terms of the Statute, out of an abundance of caution, you have elected to file the subject Statement after consulting with the undersigned.

The general public will make a decision upon whether to pass the school bond and, thereby, improve the facilities for the wrestling program. You will not be making any decision with respect to the results of the school bond election. You will not have any financial gain or detriment as a consequence of the public action upon the school bond. Consequently, you do not have any conflict of interest with respect to any improvements which may occur to the wrestling program if the bond is passed.

Thank you for your timely filing of the subject Statement.

Very truly yours,
