ITEM 3	DESCRIBE POTENTIAL CONFLICT OF INTEREST IN DETAIL (Use Item 7 Continuation, if necessary)																									
Date action is to be taken or decision is to be made: <u>2026 Legislative Session</u>																										
Description of Potential Conflict: The Legislature will be voting on LB 1261 on March 17, 2026. The bill would prohibit the use of eminent domain to acquire certain privately owned electric generation facilities. The bill would still protect public power in this state but allow for private generation electric generation to meet growing demand I am contracting with Tenaska for use of farm land for so they can construct a generation facility. Eminent domain is not currently an issue with my contract but could be in the future. I do not know if eminent domain by a public power entity would jeopardize the contract.
