Re: C-2 Potential Conflict of Interest Statement

Dear Ms. Reisher,

This will acknowledge receipt of a C-2, Potential Conflict of Interest Statement ("Statement"), which you filed with the Nebraska Accountability and Disclosure Commission ("NADC") on Thursday, April 9, 2026.

You are the Executive Director of the Brain Injury Association of Nebraska ("Association"). Your Statement also notes that you are Secretary for the Brain Injury Oversight Committee ("Oversight Committee"). You were appointed to this Committee by the Governor. It is our understanding that, in your position as Secretary for the Oversight Committee, you will be voting as a member of that Committee on disposition of State funds as provided by the Brain Injury Assistance Act. These funds would be distributed as grants to entities which have made application for the funds. It is our understanding that the Association has made or will make application for such funds.

On or about April 17, 2026, the Oversight Committee will meet and vote on the question of distribution of said funds. Your Statement notes that at that meeting, a decision will be made with respect to whether the Association will receive funds pursuant to its grant request.

In view of your appointment by the Governor to the Oversight Committee, you will make a decision with respect to disposition of State funds. We conclude that you will be acting at that time as a public official within the Executive Branch of State Government.

Under the terms of §49-1499.02(1) of the Nebraska Political Accountability and Disclosure Act ("NPADA"), you must file a Statement, as you have done, where you would be required, "to take any action or make any decision" in the discharge of your official duties that, "may cause financial benefit or detriment to [you], a member of your immediate family, or a business with which [you are] associated."

The term "business" is defined in §49-1407 to include, "any corporation." The term "business with which the individual is associated," is defined in §49-1408 to include a business, "...in which the individual is a partner, limited liability company member, director, or officer."

As noted above, you are the Executive Director of the Association, and it is a business with which you are associated. In your Statement you have noted that, in view of your position with the Association, you will abstain from voting with respect to the Association's proposed grant. We conclude that this abstention would be consistent with the requirements of the NPADA.

Our opinion in this matter is premised upon the material facts which we have outlined above. If any of these facts are inaccurate or incomplete, please contact us immediately.

Thank you for your timely filing of the subject Statement.

Very truly yours,
