## Schedule B Section 1 - Allocated Cumulative Expenditure for Nebraska State and Local Candidates and Ballot Questions\*

Do not include expenditures made in connection with campaigns for federal office. Expenditures in support or opposition to candidates for federal office should be listed on Schedule B, Section 2.

Indicate the total amount of expenditures, for or against each Nebraska candidate or ballot question (B.Q.) or other allowed committee (including a political party), during this reporting period and the total for the calendar year to date. An expenditure made in support of more than one candidate or ballot question must be apportioned reasonably among the candidates or ballot questions supported or opposed. "Expenditure" for the purpose of this schedule includes direct and in-kind contributions, loans, independent expenditures, and all other expenditures made in support of or in opposition to Nebraska state and local candidates and ballot questions. List in-kind and independent expenditures when the obligation to pay has been incurred (even if the vendor has not been paid). If the amount owed is not known, make an estimate now and file an amendment later when the actual amount is known. Other payees (resulting from in-kind and independent expenditures) receiving more than \$250 must be fully disclosed on Schedule C, Section 3.
