SCHEDULE A - Contributions Over \$250 Received from the Candidate or Other Individuals*						
List all individuals, including the candidate, who contributed an aggregate total of more than \$250 during the election year (e.g., an individual who gave \$150 during the Primary Election and \$125 during the General Election must be listed since their total contributions during the election year exceed \$250). All contributions from the same donor must be listed under the same name. In the first column list the name and address of each individual who has contributed a cumulative total of more than \$250 during the election year. In the next column, list the date of each contribution which has not been previously reported. If you are filing your first Campaign Statement of the Election Year or an Annual statement, Column A will be zero. If you are filing a second or any subsequent campaign statement during the election year, under Column A: list the total amount of contributions previously reported from each individual during the election year; and, for newly listed individuals, list all their previously unreported contributions (e.g., an individual gave \$125 this period and had previously made contributions of \$100 and \$50 earlier in the election year, \$100 and \$50 would each be listed under Column A). In Columns B, C, and D, list each contribution received during this period. In Column E, list the total contributions received from each of the individuals listed for the election year to date.

SCHEDULE B - Contributions Over \$250 Received from all Sources except Individuals*

List all businesses, political committees and other entities who contributed an aggregate total of more than \$250 during the election year (e.g., a PAC which gave \$150 during the Primary Election and \$125 during the General Election **must be listed since its cumulative total contributed during the election year is more than \$250.**) Do not include contributions from individuals, they should be listed on Schedule A. All contributions from the same donor must be listed under the same name. In the first column list the name and address of each business, political committee or other entity who contributed a cumulative total of more than \$250 during the election year. Also, be sure to list the treasurer's name if from a political committee. In the next column, list the date of each contribution which has not been previously reported. If you are filing your first Campaign Statement of the Election Year or an Annual statement, Column A will be zero. If you are filing a second or any subsequent campaign statement during the election year, under Column A: list the total amount of contributions previously reported from each contributor during the election year; and, for newly listed contributors, list all their previously unreported contributions (e.g., a PAC gave \$125 this period and had previously made contributions of \$100 and \$50 earlier in the election year, \$100 and \$50 would each be listed under Column A). In Columns B, C, and D, list each contribution received during this period. In Column E, list the total contributions received from each of the contributors listed for the election year to date.

If the exact amount of an unpaid bill is unknown, report a reasonable estimate of the amount owed. Loans are not to be reported in this Schedule. Loans are reportable in Section 1 of Schedule C.

PROVIDE THE ITEMIZED INFORMATION BELOW FOR AMOUNTS KNOWN OR ESTIMATED TO BE MORE THAN \$250.

NOTE: Goods and services for which the committee has obligated itself to pay are reportable unpaid bills or accrued expenses even if payment is not yet due and the specific amount to be paid is not yet known.

SCHEDULE D - Section 3: Agent and Independent Contractor Payees (aka 3rd Party Payees)

If the committee reimburses the candidate or pays an agent (e.g. an advertising agency) for expenses they incurred on behalf of the committee, the committee must list those vendors who received payment(s) from the candidate or agent of the committee. For example, the Candidate Committee has directly paid Person A \$1,000 to provide goods or services and Person A (acting as an agent) has paid Person B (a third party) \$500 to provide some of those goods or services, Person B (the third party) must be listed on this schedule since they received that payment from Person A. Third party payees of unpaid Agents (those listed on Schedule D Section 2) also require disclosure on this schedule.

Alternatively, this information may be reported by the agent on an *Agent's Expenditure Report* (NADC Form B-10). The committee should have agreements with its agents and independent contractors as to who will be responsible for reporting this information. If the agent will be responsible for disclosing that information please indicate that those payees will be reported by the agent on Form B-10.

List the (3rd party) payees who received payment(s) from an "agent" currently or previously listed on Schedule D – Section 1 and Schedule D – Section 2. Reference the agent from Schedule D – Section 1 and Schedule D – Section 2 in the "Purpose" box along with the description of the transaction.
