List the payees from In-kind and Independent Expenditures listed on Items 5 and 6. Reference the related transaction in the description box (for example “Radio and TV Advertising Opposing Jimmy James for Legislature District 50). If a payee listed here acted as an agent and paid another vendor for products or services on behalf of the Political Party, those additional payees must also be listed with a description including “paid for by” ‘agent name’. For example, the Party paid Person A listed on this schedule and Person A paid Person B to provide goods or services for the Party, then Person B should also be listed and the description for Person B should include “Paid for by Person A”.
